Management Response to the Review of Aspects of IUCN's Governance - 2019

IUCN welcomes the overall findings and recommendations of the *Review of Aspects of IUCN's Governance* (henceforth "the Review") conducted by Stewardship and Governance Associates (SGA). The Union appreciates the recognition of the "important assets which strengthen its governance capability, namely a high degree of commitment and energy that Councillors and staff, as well as Members, bring toward fulfilling IUCN's mission" and believes that these attributes makes it well-placed to take on the recommendations of the Review.

IUCN is inspired by the Review's use of the Four Pillars of Good Governance framework and the Four Areas of Governance Failure to analyze the governance fabric of IUCN in a systematic and comprehensive manner and to diagnose potential areas of vulnerability of and risk for IUCN. In combination, these insights provide a comprehensive framework to improve the resilience of the organization. IUCN is determined to apply this framework to achieve governance excellence through strengthening people quality, focus and dedication, developing effective structures and processes including strategic and risk analysis processes, advancing the appropriate information architecture, fostering healthy group dynamics, and ensuring enabling institutional culture and integrity.

IUCN acknowledges the Review's assessment of governance risk to be at a critical level. By periodically commissioning governance reviews and continuously implementing governance improvements under the leadership of the IUCN Council's Governance and Constituency Committee, IUCN has sought to reshape its governance to align with a rapidly changing institutional environment, increasing expectations from stakeholders and the aspirations for the Union. This Management Response will further demonstrate IUCN's commitment and dedication to achieving governance excellence and to reducing the key vulnerabilities in IUCN's governance. IUCN undertakes to periodically review its governance and responses set out in Annex 1 against best practice and to improve and/or modify it as required.

IUCN acknowledges and supports the importance the Review places on people and, in particular, the need to clarify performance standards of Council members. IUCN has already started implementation of the Review's recommendations aimed at reinforcing the composition of the Council, improving the readiness of Councillors and strengthening accountability of Councillors. Further, IUCN will develop comprehensive education and induction programs for Councillors joining the new Council regarding the strategic process, including deepening understanding of the strategic role required of Council members, and ensure that this is part of the regular council onboarding processes.

In tandem with this concern with performance standards, the Review emphasizes the critical nature of processes that enable Council be more effective in carrying out its roles and responsibilities, in particular in relation to strategic leadership and risk analysis. IUCN acknowledges the opportunities identified by the Review to reinforce structures and processes of IUCN and agrees it is critically important to ensure strategic alignment and ownership, among the different bodies of IUCN, as well as a clear delineation of roles and responsibilities, strengthening of accountability and enhancing trust. Further, IUCN is committed to establishing an effective leadership succession plan, reinforcing the structural independence of the ethics and oversight functions, and establishing a whistleblowing policy and an ethics hotline.

Furthermore, IUCN sees a strong opportunity for the Council to design an internal information package that speaks to the strategic questions and risks Council must address in its strategic and oversight roles. In addition, to obtaining external information, the Council will leverage the Union, in particular the network of Regional and National Committees, to gather external insights.

IUCN endorses the Review's recommendations to strengthen group dynamics and institutional culture, and in particular to proactively support and build transparent communications, accountability, trust and alignment of practice with best governance standards in decision making in IUCN.

IUCN acknowledges the critical importance of strengthening relationship with its membership, as identified in the Review. IUCN is ready to begin implementing its new membership strategy from early 2020. In the new intersessional period (2020 -2024) Council will continue to engage with the IUCN membership on how to better promote representation and ensure responsiveness to changing conditions, including through assessment of its membership model. IUCN believes its strength and ability to effectively deliver its mission and vision lies in its membership and maintaining its diversity.

Pillar	Issue	Recommendation	Acceptance & key responses and actions planned	Timeline	Responsible	Current status
6.1 People	6.1.1 Council composition / dedication of councillors	6.1.1 Nominations process to stress expectations regarding time spent on Council work, including time spent engaging outside of meetings.	• Recommendation <u>accepted</u> and already <u>partly implemented</u>: the qualifications and requirements for elected positions were adjusted accordingly and approved by the Bureau before being attached to the Call for nominations *(Bureau decision B/XVI of 1 July 2019),* and Regional Councillor candidates' responses to the online questionnaire about requirements for the position are being published via the Union Portal as part of the current nominations process. • Candidates should be requested to <u>sign a commitment</u> and be asked in Congress why they want to become Council members. • A <u>mechanism</u> should be established to <u>provide information to prospective candidates</u> before they are nominated (based on the example developed by the South America Regional Committee of IUCN).	Before the next nominations process opens in 2023.	Next Council 2020-24 (and its GCC)	Qualifications and requirements for elected positions already adequately cover the "expectations"; Regional Councillor candidates' responses to the online questionnaire about requirements for the position are being published as part of the current nominations process
	6.1.2 Lack of preparation by council members	6.1.2.a Council (this could be a task force for example) could conduct a detailed skill and personal attribute mapping at the council level to assess what skills, competence and expertise are needed at council level, to help build alignment of skills with strategic direction, value added to the current board composition, as well as cultural fit with the board and training/improvement needs.	• Recommendation <u>accepted</u>. • At the beginning of the next term 2020-21, Council (or a Council committee or task force) should create a <u>mechanism to map skill sets</u> and provide training or define other mechanisms to complete missing skills. • The next Council should provide <u>directions to the IUCN membership</u> for the 2024 elections on the skill sets required for an effective Council.	Beginning of the next term 2020-21 Before the launch of the next nomina-tions process in 2023	Next Council 2020-24 (or a TF of GCC open to other committee members and external support)	
		6.1.2.b Communicate expected preparation norms in councillor job description, including time and commitment involved and performance indicator / evaluation standards.	• Recommendation <u>accepted and partly implemented</u> as the qualifications and requirements for elected positions were adjusted accordingly and approved by the Bureau before being attached to the Call for nominations *(Bureau decision B/XVI of 1 July 2019).*	2020-24	Next Council 2020-24	Newly adopted (July 2019) qualifications and requirements for elected positions (ToR) already cover the time and commitment involved

			• Actions similar to those suggested in 6.1.1 should be considered by the next Council.			
		6.1.2.c Draft clear job descriptions of role of IUCN Councillor, aligned with the strategic and oversight goals of the Council, and the roles & responsibilities, including performance indicators and independent evaluation, conducted externally.	• Recommendation partly accepted as the evaluation mechanism should be indepen-dent but not necessarily carried out by an external party. • For the evaluation aspect, cf. 6.1.3.a • In addition to the qualifications/requirements for elected positions already approved, the commitments and objectives of Council members in standing committees should be better defined. This can be done by each standing committee as part of their "lessons learnt", and approved by Council for inclusion in the Council Handbook. *Note: Instead of "job description", the Council prefers "commitments and objectives" which is more appropriate for membership of the IUCN Council which are all voluntary positions.*	February 2020	Council's standing committees, followed by Council decision	

	6.1.3 Lack of sufficient evaluation at the individual councillor level	6.1.3.a A council charter would help in clearly articulating the responsibilities of each Council member, the culture expected on the council and all governance bodies, inclusive of values of accountability and responsibility, and the process for a regular (annual or bi-annual) assessment against objectives (which should be specified in council members' contracts.)	• Recommendation accepted and already partly implemented as the Council Handbook, including performance tools, already cover what is recommended for a "council charter".
			• An evaluation mechanism for individual Council members against established objectives should be studied. Cf. also 6.1.3.c. This should include:
			  o Roles/tasks of Council members in standing committees needs clarification (cf. 6.1.2.c).
			  o The currently required written Councillor reports could be transformed as an accountability tool and distributed to IUCN Members.
			  o A mechanism to follow-up on the "self-assessments" (Council Handbook) should be designed. Feedback through self-assessments should be distributed to the full Council in addition to the Vice-Presidents [Regulation 48(c) (iii)].
				Next Council 2020-24	Council	Aspects regarding Council charter are already implemented

		6.1.3.b Write job descriptions of desired profiles, customized by type of Council member, role, what they need to achieve and how they are adding value.	• Recommendation <u>accepted and implemented</u> as the qualifications and requirements for elected positions were adjusted accordingly and approved by the Bureau before being attached to the Call for nominations *(Bureau decision B/XVI of 1 July 2019)*	Completed		Implemented from July 2019
		6.1.3.c Evaluation of individual members to be conducted by a third party, and any performance gaps addressed by the Governance & Constituency committee within the limitations of the structures.	• Recommendation <u>partly accepted</u> as the evaluation mechanism should be independent but not necessarily carried out by an external party, and performance gaps should be addressed by the President and Vice-Presidents instead of the Governance and Constituency Committee.			
			• <u>Individual evaluation mechanism</u> suitable for the voluntary position of Council member to be designed with support from the Chief HR Officer. Performance matrix need not be too detailed as objectives and indicators are to be reviewed annually. Cf. also 6.1.3.a.	Before Congress	Working Group of Council incl. standing committee chairs	
			• The evaluations are carried out by the <u>President and Vice-Presidents</u> taking into account self-evaluation and feedback.	Next Council 2020-24	President and Vice-Presidents 2020-24	
			• <u>Performance gaps</u> in terms of missing skills should be addressed by the <u>President and Vice-Presidents</u>. Cf. also 6.1.2. a.	Beginning of the next term 2020-21	President and Vice-Presidents 2020-24	
		6.1.3.d The FAC ToR should explicitly articulate the role and responsibility of the committee with regard to its: its expectation of the external auditors; its relationship with the internal auditor function; its role in overseeing the full range of audits conducted within the organisation; disclosure of financial and related information; as well as any other matters that the FAC feels are important to its mandate or that the council chooses to delegate to it.	• Recommendation <u>accepted</u>. • The current Council's <u>Finance and Audit Committee</u> should prepare a proposal for Bureau's approval in order to include this in its ToR.	Before the February 2020 Council meeting	FAC

	6.2.2 Insufficient involvement of Council in information design.	6.2.2.a Bureau to determine what strategic questions and risks are vital and ensure that the information package contains the relevant data and sufficient analysis, allowing for an effective discussion centred on strategic support and oversight.	• Recommendation <u>accepted</u>. • Empower the <u>Bureau to support the Council in its strategic direction and oversight</u> functions by facilitating the decision-making process of the Council and providing guidance on the information package and analysis required to enable the Council to exercise these functions, to be implemented from 2021 onwards. This will be incorporated in the <u>Council Handbook</u>. • The <u>Bureau</u> meets regularly with the DG and Commission Chairs to define the level and format of information and analysis required for Council to exercise its strategic and oversight functions. • The next Council should develop a <u>mechanism</u> for the provision of the relevant information and analysis in time to be implemented in 2021. 	6.2.3 External information incomplete	6.2.3.a Bureau should determine what external information should complement internal information in the Council papers, to better inform strategic thinking as well as its ability to assess strategic risk	• Recommendation <u>accepted</u>. • The next Council defines which <u>external sources of information and analysis</u> are required for Council to exercise its strategic and oversight roles referred to in 6.2.2.a. 		6.2.3.b It is also important for Council members to develop their own channels of external information, and a method to scan these regularly, to ensure they have an external perspective of their own on issues of potential strategic relevance to the union.	• Recommendation <u>accepted</u>. • Councillors should have <u>regular contacts with the Regional Committees</u> and, to the extent they are available, also the National Committees, and the Global Group for National and Regional Committee Development, in view of articulating their insights in changes in the external environment that affect IUCN.	Immediate implementation, prior to February 2020 Council meeting	Council members to raise with National and Regional Committees and the Global Group President	

			• The President informs the National and Regional Committees, and the Global Group for National and Regional Committee Development, requesting their cooperation for implementing this aspect of Council members' functions. • Already covered by the qualifications and requirement for elected positions, this aspect of the role of Council members should also be reflected in the Council Handbook. • Membership Strategy should encourage National and Regional Committees to scan the external environment for developments affecting the IUCN and provide feedback to Council members. • Identify the categories of information Councillors need to fulfil their roles, in the respective committees including best practice, industry standards	Immediate implementation, prior to February 2020 Council meeting February 2020 Council	Council to include in respective documents by February 2020	
6.3 Structures and Processes	6.3.1 Council agenda not sufficiently structured or focused on strategic priorities	6.3.1.a Final meeting agenda circulated three to four weeks in advance of council meetings in order to allow adequate time for meaningful consultation, proposals of items by council members for final inclusion and approval.	• Recommendation partly accepted because already implemented in practice. • The existing practice of distributing to Council for comments a preliminary agenda two months before the meeting, and of distributing a draft agenda incorporating the comments from Council members one month prior to the meeting should be formally approved by Council and codified in the Council Handbook with the requirement that exceptions be explained in the same way as for Council documents that are submitted late (cf. 6.2.1.a.). 		6.3.1.b Maximum of 30% of meeting time allocated to management presentations, to allow sufficient time for discussion (hold maximum number of slides (e.g. 7) and time to each presentation (e.g. 7minutes) with more materials potentially in appendix or in information package).	• Recommendation accepted. • The Council Handbook should contain guidance for presentations in Council and its standing committees in order to ensure that sufficient time is available for discussion. • In advance of each meeting, the President and chairs of the standing committees provide specific guidance on the length of various	Immediate implementation, prior to February 2020 Council meeting	Bureau decision at GCC's proposal President and committee chairs	Already practised in Council's Programme and Policy Committee

	6.3.2 Committee meeting structure allows too little time for proper reporting by standing committees to the council	6.3.2.a Hold Standing Committee and Bureau meetings 4 to 6 times per year, at least twice by electronic/ web conference and twice in person before Council meetings.	• Recommendation accepted. • Bureau and each standing committee should decide the frequency and modus of their meetings in function of the business to be carried out. But they should establish a schedule of meetings for the coming periods (October 2019 to February 2020 and February 2020 to Congress 2020) in order to allow everyone to organize their calendars.	As soon as possible after the October 2019 Council meeting	Bureau and standing committees (FAC, PPC and GCC)	In practice, Bureau and standing commit-tees already meet at least once by conference call between Council meetings.
		6.3.2.b Prepare podcasts and/or reports of critical management issues, so that committee and bureau members can prepare beforehand.	• Recommendation accepted. • All reporting and updates should be done in writing (document or PowerPoint, or other tools, and IT system updated accordingly) and distributed two weeks in advance of the meeting, with exceptions to be explained to Council in the same way as for documents (cf. 6.2.1.a). • This rule should be incorporated in the Council Handbook. 	6.3.3 Perceived lack of neutrality in the DG evaluation process	6.3.3.a Establish clear metrics upon which DG will be evaluated. Conduct the evaluation professionally and anonymously, via an evaluations committee.	• Recommendation partly accepted as only the part of the evaluation concerning the 360° feedback should be anonymous. • Institutionalise and professionalise the process following the core areas of performance identified in §62 of the Council Handbook and determining SMART indicators at the time Council approves the objectives for the DG. • Add HR Management as 6th area of performance in §62 of the Council Handbook. Council may add other core areas of performance as required. • The 360° feedback should be carried out by an independent third party selected. Adequate precautions are taken to avoid conflict of interest in the selection of the third party. Succession planning for critical leadership positions and identification of qualified pool on both an emergency basis and over the longer term, also by the bureau.	• Recommendation <u>accepted</u>. • Establish a <u>succession plan for the DG</u> and establish a <u>succession planning committee</u> (or other mechanism) to ensure the plan is always up to date. • FAC to ensure that the DG establish a <u>succession plan for key senior leadership</u> positions in the Secretariat. • Clarify whether the <u>Succession Planning Committee</u> established by Council decision C96/3 (March 2019) has been dissolved following the establishment of the DG Search Committee (Bureau decision B77/2, July 2019)	Before 2020 Congress Idem Before the February 2020 Council meeting	President and Vice-Presidents FAC and DG Secretary to Council seeks clarification from the President	
	6.3.5 Variance in performance of commissions	6.3.5.a Consider introducing stronger accountability in commission performance requirements, including systematic reviews of individuals involved in leadership of Commissions.	• Recommendation <u>partly accepted</u> as the type of performance evaluation applied to members of the Steering Committees of the Commissions should be different from that of the Chairs of the Commissions. • <u>Strengthen</u> the system of annual evaluations of the Chairs of the Commissions including by revising the performance requirements incl. internal governance aspects, leadership and ethics. • The Chairs of the Commissions should ensure that an appropriate evaluation is available for each level of <u>leadership in the Commissions</u>. • In order to allow benchmarking across the Commissions, <u>provide broad guidance for the leadership of the Commissions</u> on the governance structure of the Commissions, the qualifications required, regional balance in the membership of the Steering Committees, whether individuals can sit on the Steering Committee of more than one Commission, whether Council members can sit on the Steering Committee of a Commission, etc. • Strengthen the annual <u>reporting obligation of the Commissions</u> to Council on the basis of Regulation 78*bis*. 			• Success is largely dependent on the person of the President. The qualifications and requirements for the position already contain this skill. So, prospective candidates should have this skill. However, the next Council could consider the following actions to emphasize the importance of this requirement:
			  o Offer training opportunities to the President elect as part of a standard induction package.
			  o Include chairing skills as part of the individual evaluation mechanism referred to in 6.1.3.a, and as part of Councillors' feedback, followed-up with an offer of training to improve capacities.

		6.4.1.b Feedback to the Chairman via an evaluation or other should be prepared by the council on a yearly basis, and provided by the chair of the Governance and Constituency Committee.	• Recommendation <u>partially accepted</u> as feedback should be presented by the Bureau instead of the Governance and Constituency Committee (GCC). • Feedback to the President should be part of the individual <u>evaluation mechanism to be designed</u> as described in 6.1.3.a and 6.1.3.c and implemented during the next quadrennium, and should be presented by the Bureau. The evaluation mechanism should provide <u>guidelines</u> for this. • The evaluation mechanism should also foresee feedback to the <u>standing committee chairs</u>. • Depending on the proposed mechanism to follow-up on the "self-assessments" (cf. 6.1.3.a.), <u>Regulation 48(c)(iii)</u> may have to be amended by the next Council 2020-24. 6.5 Technical	6.5.1 Lack of risk thinking at bureau and Council level	6.5.1.a Professionalize risk thinking and building capabilities at the Council level, to mitigate technical risks. The Bureau could take an extended role in risk oversight preparation, developing a more considered view of risk appetite, for example.	• Recommendation <u>accepted</u>. • Build <u>relevant risk and strategic skills and capacity at the Bureau level</u> and allocate sufficient time on the agenda for meaningful discussion in the Bureau. The FAC representative on the Bureau will take a leading role in building risk awareness in the Bureau and embedding risk in its deliberations. • The <u>Bureau will be responsible</u> for reviewing the risk appetite and risk tolerance, for embedding discussion of risks in strategic planning and assess consistency of strategic planning documents with the risk appetite and tolerance, and for mapping oversight of specific enterprise-level risks to the Standing Committees.
