

Application Form

Supporting circular economy in practice: reducing plastic leakage into the marine environment through public-private partnerships

Application forms must be submitted to

plastics@iucn.org

Deadline: 31 May 2019

A) APPLICANT DETAILS

Lead Applicant Organisation		
Project Title		
Project Country		
Focal Point	Title	
	Name	
	Address	
	Tel	
	Email	
	SkypeID	
	Website	
Organisation's Legal Status		
Date (D/M/Y)		

B) PROJECT DETAILS

1. Please provide a brief description of your initiative (500 words maximum), detailing:	
<i>What goals you aim to achieve?</i>	
<i>What actions you are taking to achieve your goals?</i>	
<i>What key successes you have had to date?</i>	
<i>What key challenges you have faced to date?</i>	

2. How does your initiative contribute to reducing plastic pollution and to a healthier environment in general (250 words maximum)?

3. How does your initiative contribute to a circular economy (250 words maximum)?

4. How does your initiative include stakeholders from government, private sector and civil society? Which partners are you working with? How does your initiative contribute to building partnerships with others (250 words maximum)?

5. How is your initiative able to demonstrate potential to scale or replicate, or feed into local and/or national action plans (500 words maximum)?

6. How long has your initiative been operating for?

--

7. Describe in detail how you will implement your initiative. Include specific actions and results (500 words maximum)

--

8. How would you use IUCN support? Be as specific as possible about how you would use the funding (500 words maximum).

--

9. Please specify if your initiative is willing and able to provide at least 40% co-financing (e.g., time and materials) and detail the type and amount of co-financing you would provide (500 words maximum).

10. Has your organisation previously received other grants, including from IUCN? If so please list the grant source, amount, date and purpose.

Source (e.g., IUCN)	Amount	Date	Purpose

11. Please name the country/district/county/city where your initiative will take place. Please attach scaled maps showing the general location of the project area and focusing on the project area with details related to the project (250 words maximum).

12. Please include a list of the project staff with names, respective positions and organisations.

Name	Position	Organization

13. Please present a strategy on how project assets and achievements will be sustained beyond the lifespan of this 12-month grant. Please provide an approximate timeline of relevant milestones to ensure work continues and is monitored (500 words maximum).

14. Please provide links to your initiative's website, social media account (Twitter, Instagram, Facebook, etc), or any media or other coverage of your initiative.

15. If selected, would you be willing to share data, participate in interviews, and help promote support to your initiative (yes or no)?
