Monday, 31 May 2021

Fifty years after the Stockholm Conference: The long road towards the formulation of binding global principles of environmental protection

Tuesday, 1 June 2021

Climate Change and the Law: Dynamics between Legislation and Litigation

Wednesday, 2 June 2021

Developing Effective Strategies for Environmental Compliance and Enforcement

Thursday, 3 June 2021

United Nations Convention for the Law of the Sea (UNCLOS) as a Living Instrument: Solutions for the 21st Century

Friday, 4 June 2021

Biodiversity and the Law

In celebration of [World Environment Day 2021](#), the IUCN World Commission on Environmental Law (WCEL) is hosting a series of webinars on environmental law solutions. The webinars will take place each day from Monday, 31 May through Friday, 4 June 2021.

The webinars will focus on the environmental declarations since the Stockholm Conference, as well as the role of environmental law to address global climate change, protect biodiversity and oceans, and support environmental law enforcement.

WCEL will provide language interpretation in English, French, and Spanish.
