Wisdom and Youth are Valued!

Stories Matter

AGING + the landscape

Charcoal Farmer-Used Harvested from Forests

Social Forestry

Addresses Climate Addresses Local Economy

Agroecology Sector

An Instrument to the goals of NbS!

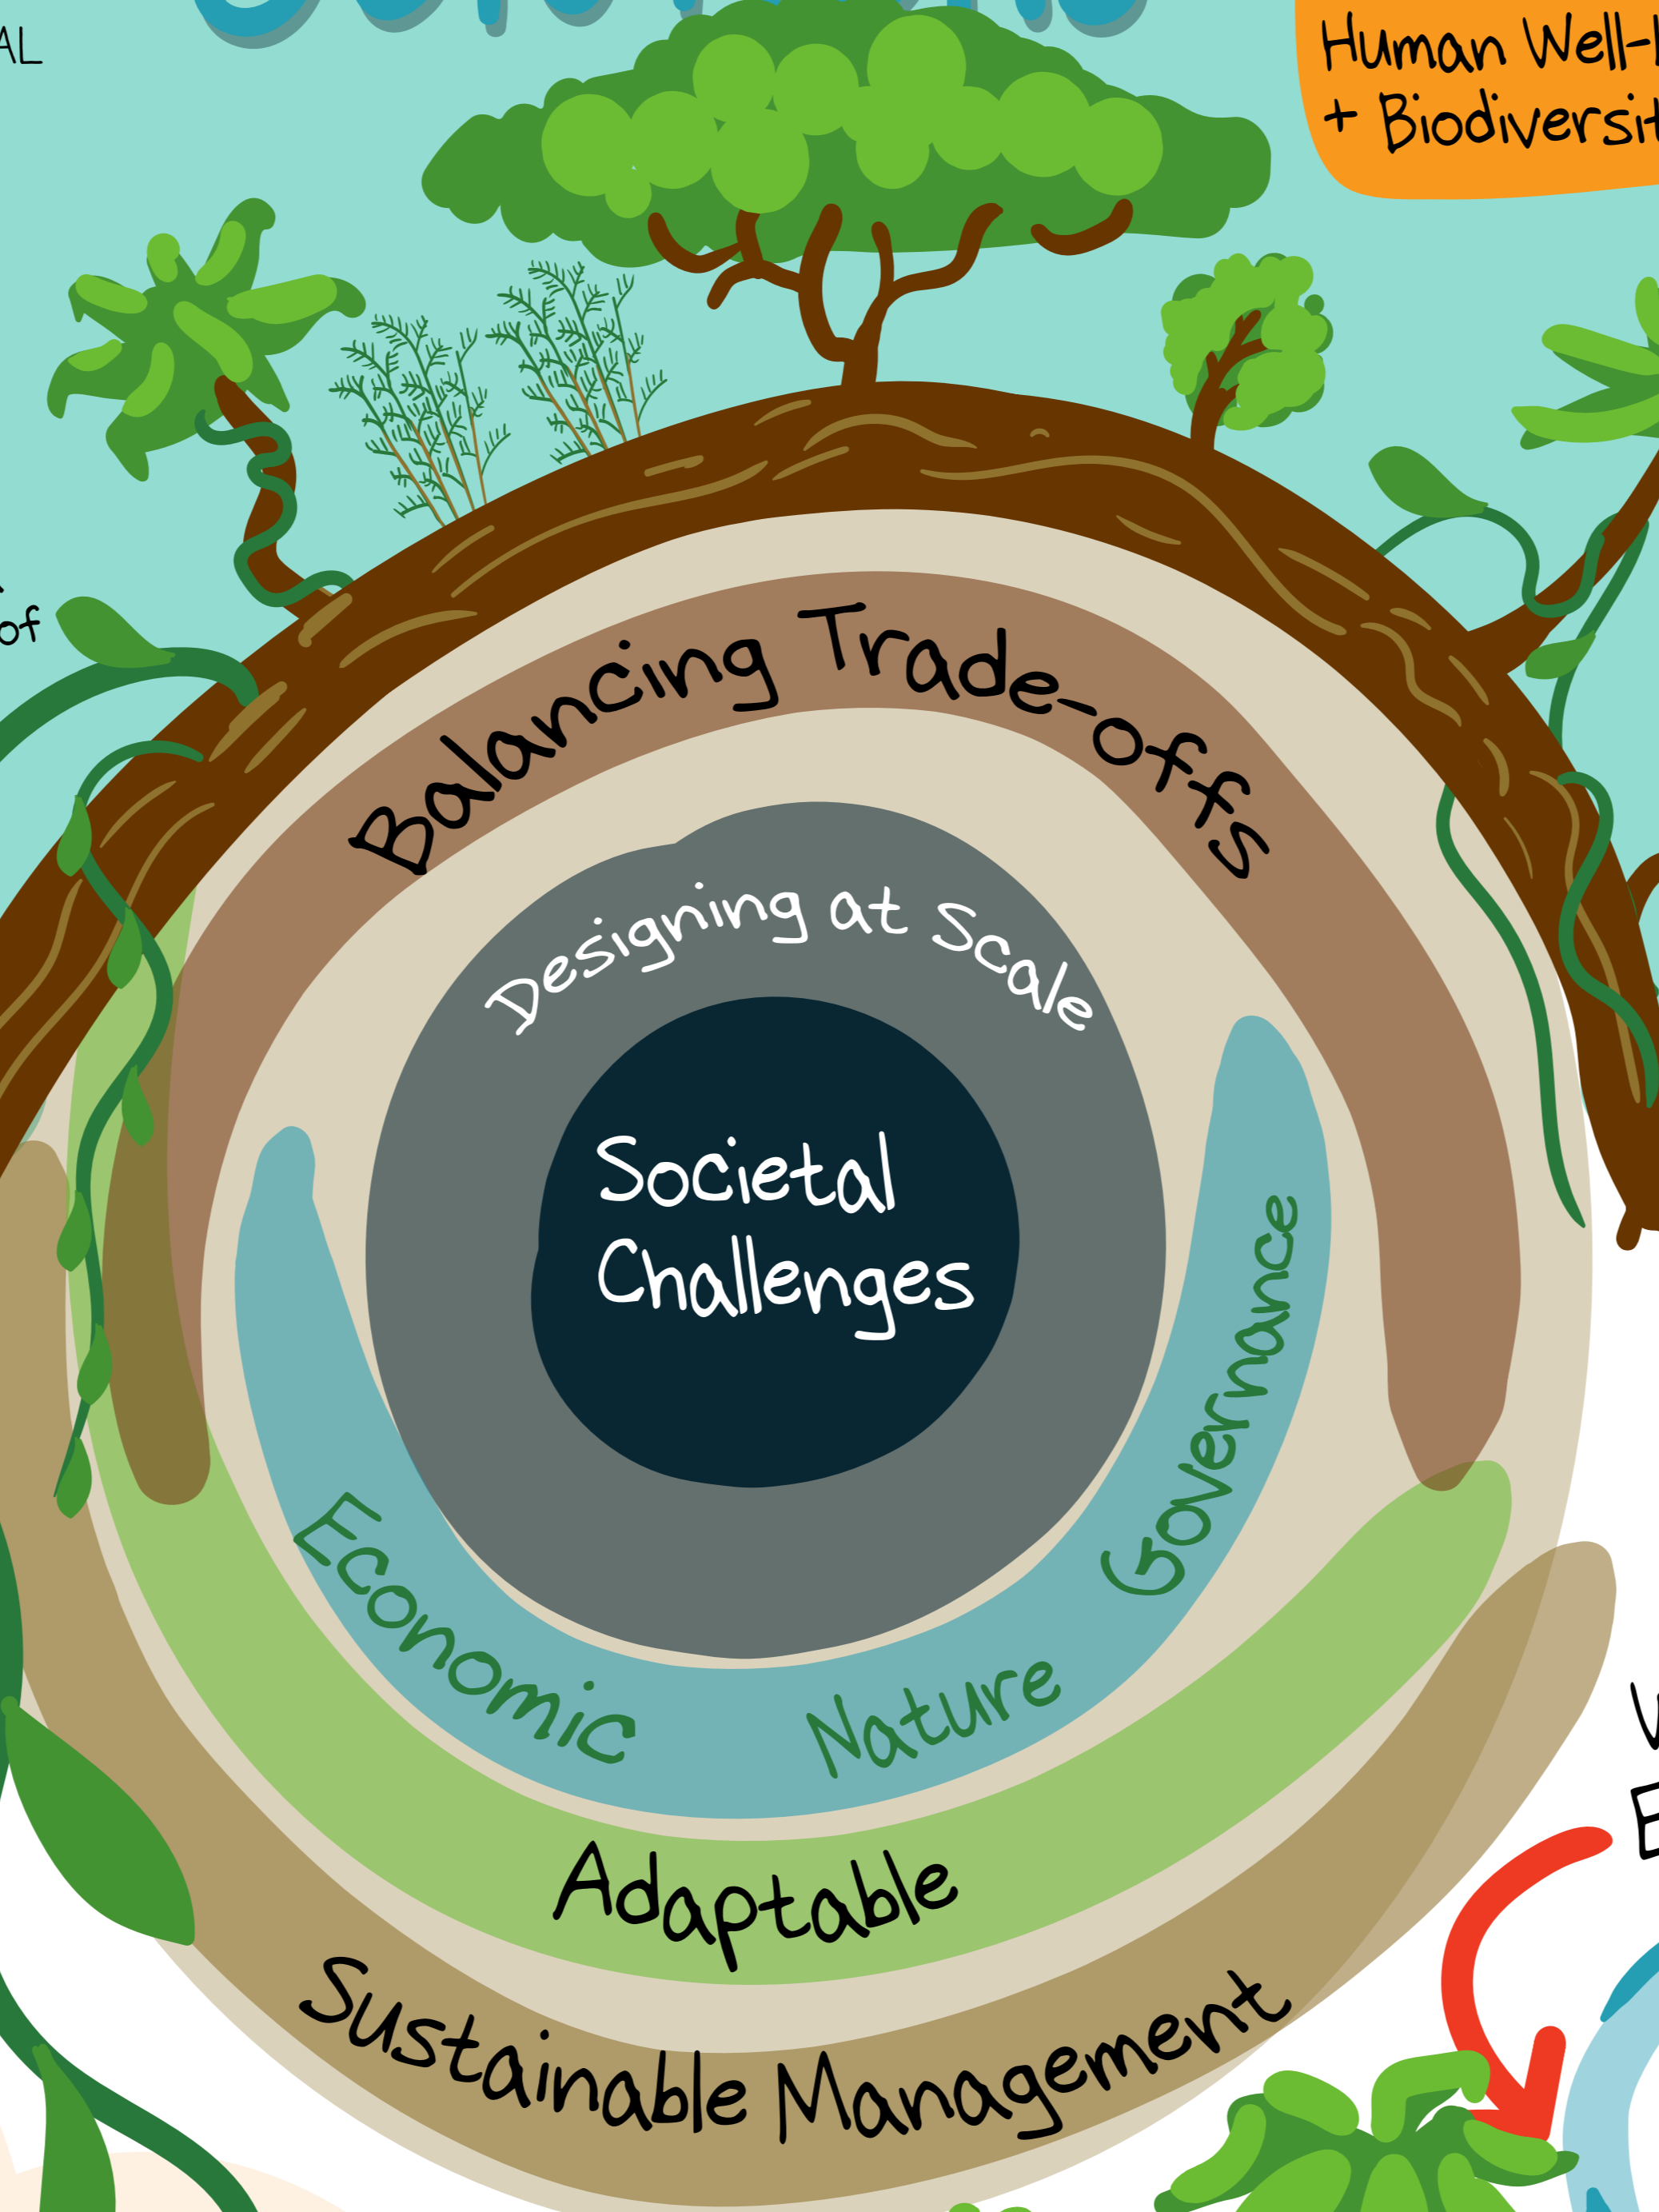

Forestry and Agroecology are absolutely connected via the people that live within both ecosystems

The FFF NbS STANDARD will help you judge the quality of the solution.

We need to get the messaging right!!

THIS HAS TO WORK FOR FARMERS - THEY CANNOT BEAR THE COSTS!

common ground conversation

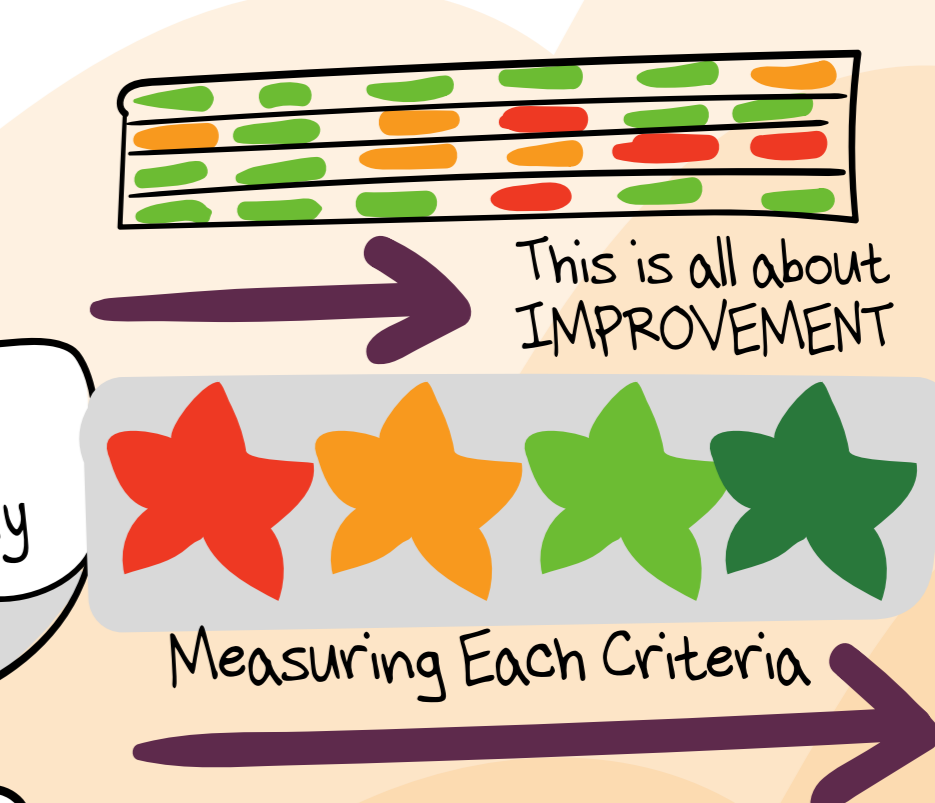

## The IUCN STANDARD for NbS

8 Criteria 28 indicators

Right Now? A User Friendly Booklet, SHORT!
